August 30, 1990

Dear Dr. McAllister:

On behalf of the American Society for Neurochemistry, I thank you, the Scientific Director and the CTR Staff for your generous support for the Symposium on the "T Cell Receptors for Autoimmune Diseases" to be held in Charleston, S.C., March 9-15, 1991. We acknowledge receipt of CTR's check for \$1,500.

We are very pleased with the financial help you provided and grateful for your kind words about the scientific quality of the subject matter to be presented and discussed at the meeting. We assure you that the funds will be used to defray, in part, expenses incurred by the invited speakers chosen from the academic community.

Sincerely yours,

George A. Hashim
